

SELECTION CRITERIA AND LISTS OF INTERNATIONAL REFEREES SELECTED FOR ALL THE TOURNAMENTS SCHEDULED THIS YEAR 2020

Criteria used by the International Referees Committee to select the International Referees (IRs) for the 2020 Tournaments:

1. IRs who were certified at an International Referee Training Course in 2019 will only attend one Tournament.
 2. IRs who have not refereed at an international tournament in the last 2-3 years were only selected to attend one Tournament.
 3. The Referees Committee cannot ensure the selection of a referee who only offers availability for a single Tournament.
 4. The IR selected as HR or AHR, will also go to another Tournament as referee.
 5. IRs that attended 0 or 1 tournament(s) in 2019, will be assigned to go to 2 or 3 tournaments in 2020, even if they declined an invitation for important reasons last year. If an invitation is declined for an important reason, the IR must inform the reason to asmin@bisfed.com who will notify the Referees Committee.
 6. IRs who attended 2 or more Tournaments in 2019, will go to only 1 or 2 tournaments in 2020. If they have been selected for only one Tournament, they will be an alternate for another tournament.
 7. IRs that offer to be HR but have never been an HR before, will only be chosen as AHR so that they can learn everything necessary to be HR in another year.
