		8	8	8

Notes:

- The schedule would be changed upon any changes of classification.
- Opening Ceremony (on 19th May, in competition venue) will start at 8:15am and to be finished before 9:00am.
- The Ceremony will include a cultural performance with duration of 5-10 min.
- Athletes for the first round of matches (10:30 am) on 19th May could start warm-up on the competition courts after end of the Opening Ceremony. Athletes for second round of matches onward could only do warm-up on the warm-up courts.
- On 20th May, athletes for the first round of matches can start warm-up on the competition courts at 8:10am. Athletes for the second round of matches can also start warm-up on the competition courts when all matches of first round have finished.
- From 21st to 23rd May, athletes for the first round of matches on each day can start warm-up on competition courts at 8:15am. Athletes for second round onwards can start warm-up on the warm-up courts as soon as Call Room door of previous round is closed.
- On 23rd May, athletes for the first round of matches in the afternoon (13:45) could start warm up on the competition courts when all the matches of the last round (11:45) of the morning have finished.
- The "short breaks" on 21st and 22nd May are mainly as buffer for possible delay in the morning rounds – no warm-up by athletes on the competition courts allowed.

Rule 20.3:

- In Pairs and Team competition, all athletes must be registered between forty-five (45) and twenty (20) minutes before the scheduled start time of any specific match.
- In Individual competition, all athletes must be registered between thirty (30) and fifteen (15) minutes before the scheduled start time of any specific match.

General information:

1. Weather:

Dubai has a tropical desert climate because of its location within the Northern desert belt. Summers are extremely hot and humid,[1] with an average high around 41 °C (106 °F) and overnight lows around 30 °C (86 °F). Most days are sunny throughout the year. Winters are warm and short with an average high of 23 °C (73 °F) and overnight lows of 14 °C (57 °F). Precipitation, however, has been increasing in the last few decades with accumulated rain reaching 150 mm (5.91 in) per year.[3] The weather in Dubai can bring short and irregular rainfall as is typical for the Middle East. Most of the rainfall occurs in the December to March period. The weather between December and March remains warm and is considered to be the most comfortable climatic conditions of the year.

2. Currency:

The dirham code: AED is the currency of the United Arab Emirates , 1 AED = 0.27 USD or 0.24 EUR.

3. Transportation in Dubai:

Dubai is one of the fastest growing cities in today's world, making the provision of high quality infrastructure facilities absolutely imperative, and since providing an advanced transport network for the people of Dubai has been high on the government's agenda, which is evident from its initiatives to enhance the public transport facilities and improve roads across the emirate to make travel safer and smoother, the Roads and Transport Authority (RTA) was formed by the decree number 17 for the year 2005, The tourist can enjoy his staying in Dubai with varieties of transportation,“ Roads, Taxis, Metro, Bus, Trams, Ports and water travel, Air travel and see”.

4. Tourist attractions in and around Dubai

Burj AL Arab:

Is a luxury hotel located in Dubai, United Arab Emirates? At 321 m (1,053 ft), it is the fourth tallest hotel in the world. Burj Al Arab stands on an artificial island 280 m (920 ft) from Jumeirah beach and is connected to the mainland by a private curving bridge. The shape of the structure is designed to mimic the sail of a ship. Sometimes referred to as "the world's only 7-Star hotel".

Burj Khalifa:

World's tallest building, a living wonder, stunning work of art, incomparable feat of engineering, Burj Khalifa is all that, in concept and execution, Burj Khalifa has no peer, more than just the world's tallest building, Burj Khalifa is an unprecedented example of international cooperation, symbolic beacon of progress, and an emblem of the new, dynamic and prosperous Middle East.

Atlantis Dubai:

Atlantis Dubai is a huge tourist hotel complex is located in Dubai, opened in impressive and huge ceremony at a cost of U.S. \$ 20 million on November 20, 2008, a project of the South African Entrepreneur Sol Cairns. The hotel is located on the Palm Jumeirah at the checkpoint north of the island; it can be reached through an underwater tunnel on the railway line. The hotel costs up to 1,200 million.

Ski Dubai:

Ski Dubai is the first INDOOR ski resort to open in the Middle East. The resort is located at the heart of Mall of the Emirates, a famous shopping center in Dubai's central part of the city. The Ski Dubai arena boasts a mountain-themed 22,500 square-meter space of skiing, snowboarding and tobogganing. If you just want to hang around and enjoy the nice temperature which is around 3 degrees Celsius. There is also the 3,000 square-meter Snow Park dedicated to people who just want to play in the snow with some nice slides.

5. Electricity and power sockets in the UAE:

In the United Arab Emirates, the standard voltage is 240-220 V. The standard frequency is 50 Hz. The power sockets that are used are of type G. Find pictures of these power sockets and corresponding plugs.

6. Important Contact Number (Cell Phone):
